

ICOOL 900L

Key benefits

The ideal merchandising solution for various trade channels

- Coca-Cola exclusive ICM design to stand out at the POS
- Extended glass door for ultimate product visibility and big capacity with moderate footprint requirements
- Increased illumination to enhance impulse buying
- Indoor and outdoor placement (standard IP24)
- Self-closing doors
- Low noise operation

Increased reliability and robustness

- All ICOOL distinctive design components made of metal
- High quality galvanized metal sheets for cabin and grid
- User-friendly aluminum dye cast handle (applicable in the HD version)

Easy servicing

- Easy dis-/assembly and access to components e.g. front-sliding modules
- Use of quick electrical connectors

Reduced Cost of Ownership

- Low-maintenance condenser
- Standard LED illumination

Easy to rebrand and up-brand
