

Flex 65 B / Flex 65 B Eco

Key benefits

Strong product visibility

- 360° visibility and brand presentation

Customer-friendly operation

- Transparent, insulated and fully opening lid for easy product access
- Two stackable baskets for FIFO rotation

Easy to move due to multidirectional wheels

- Enhanced mobility for special events

Easy to rebrand and up-brand

- Easily interchangeable branding (printed on one or both sides)

"Hybrid" cooler with ice packs maintains products cold longer during power outages (Flex 65 B ECO)

Quick change reversible branding

Options

- Product compartment divider (with two compartments)
- Customized graphics (interchangeable wrap, printed on one or both sides)
