

## Frigoglass is awarded a Gold Rating by EcoVadis for 2019

**Athens, February 4<sup>th</sup>, 2020** – For the third year in a row Frigoglass has been awarded a Gold Recognition by EcoVadis for its sustainable and socially responsible practices. The company is placed among the 1% of the best rated companies worldwide.

Sustainability is central to our business strategy. It is fully embedded in our culture and our strategic priorities. We made further progress in all our sustainability pillars and against our ambitious sustainability commitments to improve the business, protect the environment and make a positive impact on people and communities.

EcoVadis, the leading CSR (Corporate Social Responsibility) rating platform, is dedicated to producing independent assessments of companies' CSR performance. The EcoVadis CSR network covers more than 55,000 suppliers, 198 sectors and 155 countries. Its methodology is based on international standards, including the GRI (Global Reporting Initiative), the Nations Global Compact and the ISO 26000.

The Gold rating represents our improved performance in our responsible practices in relation to Environment, Ethics, Labor & Human Rights and Sustainable Procurement, and places us in the top sustainable suppliers globally assessed by EcoVadis.

**Nikos Mamoulis, Chief Executive Officer of Frigoglass, commented:** *“We are really proud to receive the Gold award for our sustainable and socially responsible activities for the third consecutive year. It proves our determination to continuously improve our performance by innovating in ways that secure a sustainable future, adding value to all our stakeholders and to the society.”*

## Frigoglass

Frigoglass is a strategic partner to beverage brands throughout the world. We are one of the global leaders in the Ice Cold Merchandisers (ICM) market and the principal supplier of glass packaging in the high growth markets of West Africa.

Frigoglass has long-standing relationships with blue chip customers in the soft drinks and beverage industries. Our bespoke Ice Cold Merchandisers (beverage coolers) enhance our customers' beverage branding and facilitate immediate beverage consumption. At the same time, our leading innovations in the field of green refrigeration enable our customers to meet their sustainability and carbon emissions reduction targets.

With its footprint, Frigoglass is well established in the more mature European markets while it is evolving and establishing its position in emerging markets. We support our customers through manufacturing facilities in eight countries and an extensive network of sales and after-sales representatives.

In our glass bottle business, we are focused on the markets in Africa, which are prime regions of investment for our customers. We aim to create value for our customers by building on our position as a leading supplier of glass bottles and complementary packaging solutions in West Africa.
